

EMBER STOMP

East Kootenay FireSmart™ Program

Wildfire Community Preparedness Day Event

You are invited to come and enjoy a day of learning, focusing on making your home and community more resilient to wildfire. FireSmart BC™ will be in attendance with Ember the FireSmart Fox as well as FireSmart Landscape Specialist Carla Hoffman. The RDEK's Rural Fire & Rescue Service will be showcasing their new Structural Protection Unit Trailer and other wildfire response units. The BC Wildfire Service will be there with an Initial Attack crew, wildland engine, and games for the kids.
